Berryhill Pursery Harrisburg, Pa.

The

Our Office

# Of Interest To You

An Intense Love for growing plants, an idle but very fertile piece of land near our home and a severe need in our community for good nursery stock prompted the beginning of our business. Our aim was to meet the needs of our own nearby vicinity with properly grown trees, shrubs and plants adapted to our soil and climate. Each order, whether large or small, is treated with the same intelligent care as if it were the only order to be looked after.

This unusual, intelligent attention in the handling of Hardy Nursery Stock was so much appreciated by our friends that we were urged to offer them the same facilities in plants for home and conservatory decoration. We are pleased, therefore, in being able to offer this very carefully selected list of plants to those interested. It offers a suitable

plant for every purpose for the lawn, garden, orchard or home, and our customers can secure in one shipment from the same place an entire order.

Our Offices, Greenhouses and Show Grounds, covering several acres, are very accessibly located along South Thirteenth Street below Berryhill. We welcome visitors at all times, Sundays excepted. Take Oberlin or Steelton via Nincteenth Street cars, which pass by Thirteenth and Berryhill Streets within seven minutes after leaving the Square. Our nursery farm is located five miles contributed in the seven minutes of the city. Here we have a purposed a hundred care rapidly being planted. northeast of the city. Here we have over one hundred acres rapidly being planted with nursery stock.

Our people are thorough, intelligent plantsmen. Both our Nursery and Green-house foremen have been trained in the famous Kew Gardens in England, and have had extensive experience in the fruit and ornamental nurseries of Germany and France. Others of our force have had extensive experience on many of the

large estates of this country.

Tree Moving, Spraying, Pruning and General Garden Work. We are prepared to send men to do all sorts of expert work of this character, and to undertake the continuous care of lawns, gardens, etc., within nearby access to Harrisburg.

Shipping Season for nursery stock begins about March 1 and continues until May 15. The fall shipping begins about September 1 and continues until the ground freezes. Evergreens, with balls, can be safely moved through almost the entire year, and we are prepared to supply roses and vines from pots at all times. House plants, such as Palms, etc., can be shipped throughout the entire year. Seasonable blooming plants as noted under each item.

Shipments are made by mail, express and freight. Small plants can often be sent by mail. Larger plants, shrubs, etc., should travel by express, and unless otherwise instructed we ship charges collect. A discount of 20 per cent is allowed by the express companies on nursery stock. Large, heavy shipments travel safely by freight. When no definite instructions are given we use our best judgment.

Order Early. Our rule is to fill orders in the rotation received. Order early and insure your stock coming from the largest selection and reaching you at the

earliest moment for planting.

Substitution. We warrant our stock true to name and will replace any that may prove otherwise. Late in the season we may be sold out of some varieties and sizes, and unless otherwise ordered we will take the liberty of substituting similar varieties.

Prices. The prices quoted herein are for stock delivered to nearby points or to freight or express companies free of charge. Where crating or baling is necessary, a slight charge is made to cover actual cost. Our responsibility ceases on delivering shipments to the carrying company.

Terms. Cash with order. Except to persons known to us or sending satisfactory reference. Address all orders to

# OUR LANDSCAPE DEPARTMENT

To all those contemplating the proper development of their grounds we offer the services of our Landscape Department. Many well-meaning people make the

mistake of occasionally buying a few shrubs or trees and having them planted in their grounds regardless of any definite plan. Our charge for making a concrete scheme for the entire planting can be saved many times, if taken advantage of in the beginning. With a definite plan in view, the customer can then work it out, either as a whole or in part. The same careful attention is given to the customer who has a small city lot to plant that we give to the larger estates, country clubs, cemeteries, factories, etc. We can help you to make your lawn a real picture; to place your vegetable, fruit and cut-flower garden in the proper place; to screen out unsightly places; in short, to get the most

Plan for a city lot.

pleasure out of a given area, and with the use of our large trees and shrubs to get the effect at once. Either send us a sketch, giving dimensions, and photographs, or communicate with us and we will arrange for a visit.

Residence of Mr. E. J. Stackpole, Harrisburg; the grounds planned and planted by us.

Photographed first year after planting.

Evergreen planting on our grounds.

# **EVERGREEN TREES**

Like old and true friends, the Evergreens are always the same, summer and winter, and no planting is complete without a touch, at least, of their continuous companionship. As specimens on the lawn, for massing or windbreaks and hedges, some of the fine varieties here offered cannot be surpassed.

Irish (T. baccata var. jastigiata. A dense, shrubby tree with short, dark, shining foliage and bright scarlet fruit. Grows 8 to 10 feet Each 10 1½ ft..........\$2 00 \$17 50

Tubbed and potted evergreens-valuable for porch or formal decorations.

Laurel (Kalmia latifolia).

# **EVERGREEN SHRUBS**

Like the Evergreen Trees, the Evergreen Shrubs are a very valuable class of plants. As an edging for a mass planting of evergreen trees or a solid mass planting of themselves, they are equally good. The old-fashioned box trees, Laurel and Rhododendrons, are among the most noted of the class. On the last named two plants we shall be pleased to quote attractive prices on large lots.

AZALEA Amoena (Hardy Evergreen Azalca). A low, bushy shrub with leaves similar to the common boxwood. Whole plant is covered in spring with brilliant scarlet-purple flowers, remaining on for two or four weeks. A fine plant for low hedges or along the border of shrubbery plantings.

Rhododendron.

#### Rhododendrons

The most effective and showiest of all shrubs. Beautiful all the year as a foliage plant, and grand when covered with many-colored, showy flowers in June and July. Plants are taken up with a large ball of earth and can be moved nearly the entire year. If the bed is properly made in the beginning, little attention is necessary thereafter.

Rhododendron album elegans. White, large flowers.

R. album grandiflorum. Blushwhite; very large truss.

R., Betsy Parsons. Reddish purple

R. Everestianum. Rosy lilac, spotted and fringed; the best of the hybrids.

R., H. W. Sargent. Scarlet.

R. Parson's Gloriosum. Clear rose; free flowering.

R. purpureum grandiflorum. Purple, very large flowers.

R. roseum elegans. Rose; very fine.

R., True Catawbiense. Flowers rosypurple. Native in the southern mountains.

**R.** maximum (Great Laurel). Native of our mountains. Blooms later than the hybrids. Write for prices on larger quantities and sizes, as we can supply car lots at prices that will interest. Each 10  $1\frac{1}{2} - 2$  ft. 2 00 17 50  $2\frac{1}{2} - 3$  ft. 3 50

R. punctatum. The earliest to flower. Rose, spotted with yellow-green; very desirable. Each 101-1½ ft...........\$1 50 \$13 50

We are prepared to quote special price on car-load lots of Kalmia and Rhododendron maximum, the two most desirable evergreen shrubs for large mass planting. See special uses of evergreens for hedges and winter window-boxes on pages 11 and 62.

Page 9

Hydrangea Paniculata Grandiflora

Hedge of California Privet (Ligustrum ovalifolium).

# HEDGE PLANTS · LIVE FENCES

The proper selection and planting of a hedge settles the matter of the boundary line for all time. Not only is this treatment more beautiful, but it is far less expensive, needs no painting and very little repairing. We suggest below a list of the best plants for hedge fences, and give the approximate cost per hundred feet, using average-sized plants. Smaller plants would require more, larger less; the total cost would be approximately the same. Prices of the separate plants can be found under the listing elsewhere in this catalogue.

# **DECIDUOUS TREES**

Deciduous trees, or those which drop their foliage in the fall, are a necessity in every form of planting, whether it be large or small. There is such a variety in size, shape, foliage and habit that it is possible to obtain deciduous trees for every purpose. Many of them bear handsome flowers and some are noted for their various colors of foliage. Some show their chief beauty in spring, while others require the early frosts to bring their beauty to full perfection.

#### Ailanthus

Tree of Heaven (Alianthus glandulosa). A beautiful tropical-like tree, One of the fastest growing, attaining a height of 60 to 80 fect, with long sprays of foliage much like sumac. It thrives in smoky places and in soils in which no other tree will grow.

#### Alder · Alnus

#### Angelica Tree · Aralia

Japanese (Aralia Japonica). A gorgeous flowering tree, with handsome, divided foliage and showy trusses of white flowers in July. Grows to 40 feet high and is distinctly ornamental at all times.

Each 10

#### Ash · Fraxinus

### Mountain Ash Sorbus or Pyrus

American (Sorbus Americana). Decidedly ornamental, low-growing tree, with handsome, compound leaves and flat clusters of white flowers, followed by bright scarlet fruit. Each 10 6-8 ft.............\$1 25 \$10 00

#### Beech · Fagus

American (Fagus ferruginea). A noble tree with silvery bark and beautifully rounded head. It grows 40 to 60 feet high.

5-6 ft.........\$2 50 \$23 00 European (F. sylvatica). More compact in growth than the American, with larger foliage. Fine for lawn decoration and for screens, as its foliage clings almost all winter.

Purple, or Copper (F. purpurea). One of the handsomest of lawn trees, 40 to 60 feet high. Its foliage changes from deep purple in spring to crimson and then to purplish green in fall.

|     |    |  |  |  |  |   |   |   |  | Ea  | ch – | 10   |    |  |

| 5-6 | ft |  |  |  |  | ٠ | ٠ | ٠ |  | 2   | 50   |      |    |  |

#### Birch · Betula

European White (Betula alba). A handsome lawn tree, 60 to 80 feet high, with white bark and spreading branches, which droop with age.

Each 10

Weeping Cut-leaved White (B. alba laciniata pendula). The handsomest and most artistic lawn tree grown, with silvery white bark and large, drooping branches, and delicately cut foliage. Grows only 30 feet high, and is particularly fine for small places. Under favorable conditions this makes a most unique street or avenue tree.

Yellow (B. lutea). A magnificent, stately tree, 100 feet high, with silvery gray bark and handsome foliage.

### Catalpa or Indian Bean

Bunge's (Catalpa Bungei). A dwarf tree with large overlapping leaves, generally trained to bush or standard forms for formal planting, or planted in tubs for terrace decoration.

Dogwood flowers (Cornus florida).

#### Cherry · Cerasus

Wild Black (C. serotina). A medium-sized tree bearing small, white flowers followed by black cherries.

Double Red-flowering (C. Sieboldi rubra plena). One of the trees which makes Japan so picturesque. About 30 feet high, bearing masses of double, red cherry blossoms. Each 10 4-5 ft. . . . . . \$1 50 \$13 50

#### Chestnut · Castanea

American (Castanca Americana). Mostly grown for its nuts, but forms a handsome shade tree 60 to 80 feet high. Foliage turns golden-yellow in fall.

# Yellow-wood Cladrastis tinctoria

#### Spiræa Arguta See page 31.

# **DECIDUOUS SHRUBS**

No yard is complete without one or more beautiful flowering shrubs, and we would urge a more extensive planting of this class of ornamentals covering such a wide range in flower and foliage, habit of growth and season of blossoming. Requiring but small space, they can be used on lawns to fill vacancies, where large trees could not be harmoniously grown, breaking the monotony of the land-scape by grouping and distributing singly according to size of grounds and scenic effect.

ABELIA rupestris (Hybrid Abelia). A dainty shrub blooming continuously from early summer until frost.

### Barberry

Barberry, Japanese (Berberis Thunbergi). Indispensable little shrub that adjusts itself to any planting, any

soil or exposure. One of the best hedge plants known, and equally good as a specimen.

Common (B. vulgaris). A more exact grower than Thunbergi. Also an excellent hedge plant.

Each 10 100 1,000  $2-2\frac{1}{2}$  ft...\$0 35 \$3 00 \$25 00 \$200 00  $2\frac{1}{2}-3$  ft.. 60 5 00 40 00

Purple-leaved (B. vulgaris, var. purpurea). Similar to common Barberry in habit, but has dark purple foliage.

**BUCKTHORN** (Rhamnus cathartica). Strong-growing shrub, very striking in winter when covered with black berries. A good hedge plant.

CALLICARPA purpurea (Beauty Fruit). Gracefully branched, filled with small pink flowers. Its greatest cauty is at the fruiting season.

Each 10 100 2-3 ft.....\$0 50 \$4 50 \$30 00

We will supply 5 shrubs at the 10 rate; 25 at the 100 rate; 250 at the 1,000 rate. Our shrubs are well grown, frequently transplanted and our soil produces fibrous roots. It costs us more to handle them this way, but it 's worth it to you if you want results without disappointment.

You can have a bed of Roses like this the first year by planting our strong stock.

# ROSES

No garden or lawn is complete without them, and no flower so royally repays for its care. With these varieties in our own garden we have cut quantities of bloom from the middle of May until late in November.

In most varieties we have potted stock, so that shipment can be made safely

at any season. We offer all varieties in three grades.

#### MEANING OF ABBREVIATIONS

H. P., Hybrid Perpetual; T., Tea; B., Bourbon; H. T., Hybrid Tea; A., Austrian; R. H., Rugosa Hybrid; Wich., Wichuraiana; H. C., Hardy Climbing; H. C. Pr., Hardy Climbing Prairie; R., Rambler.

#### RED AND CRIMSON ROSES

Alfred Colomb. H. P. Large, fragrant; useful for general cultivation. Captain Hayward. Н. Р. large; vigorous, free bloomer.

General Jacqueminot. H. P. Large

and extremely effective; fragrant.

Gruss an Teplitz. H. T. Very fragrant; ever-bloomer. One of the best bedding Roses introduced, From these plants you can cut flowers from June ı until frost.

Liberty. H. T. Beautiful buds. Fine for house culture and cut-flowers.

Marshall P. Wilder, H. P. Vigor-

ous; very fragrant.
Pierre Notting. T. Large, pointed buds; highly scented.

Ulrich Brunner. H. P. Hardy; vigorous; everbloomer; highly fragrant; most effective in masses.

Fisher Holmes. H. P. Flowers extra large and full; very sweet. Constant bloomer.

Hugh Dickson. H. P. Very large; full; free and continuous bloomer.

Prince Camille de Rohan. Large; moderately, full. Splendid rose. II. P.

Gruss an Teplitz. See page 33.

#### PINK ROSES

Anne de Diesbach, H. P. Large double flowers, hardy.

Baroness Rothschild. H. P. Very symmetrical, without fragrance. Excellent bedder.

Bon Silene. T. Large, beautiful buds; highly scented; free bloomer.

Captain Christy. H. P. Medium; double flowers; almost everblooming. Clio. H. P. Vigorous grower; flowers in clusters; one of the best.

Hermosa. B. Large; blooms in fine clusters. Excellent bedder.

Jeanette Heller. T. Strong bloomer delicate, beautiful.

Killarney. II. T. Large buds, long and pointed; profuse bloomer. Konigin Carola. H. T. Enor-

mously large; good for cutting.

La France. H. T. Constant bloom-

er; sweetest and most useful rose. Mad. Gabriel Luizet. H. P.

large, cup-shaped; somewhat fragrant. Mad. Abel Chatenay. H. P.

petual bloomer; vigorous; excellent.

Mad. Caroline Testout. Large and double; very sweet; good bedder.

Magna Charta. H. P. Large; fragrant; excellent variety. One of the best.

Maman Cochet. T. Large, full; vigorous; free bloomer; handsome.

Mrs. John Laing. H. P. Large; fine form; produced on strong stem.

Paul Neyron. H. P. Largest variety in cultivation; free bloomer. Excellent

Prince of Bulgaria. H. T. Bright green foliage; flowers large and full.

Souv. de la Malmaison. B. Large: very full; rich foliage; splendid Rose. Souv. du President Carnot. H. T. Exquisite color: full, double flowers,

#### YELLOW ROSES

Franciska Kruger, T. Strong and vigorous; fine bedder; constant bloomer. Very good.

Persian Yellow. A. Small, nearly

full; strong, shrub-like grower.
Soleil d'Or. A. Large, full, fragrant; golden flowers.

#### WHITE ROSES

Frau Karl Druschki, H. P. Verv large; beautiful; best yet produced. Kaiserin Augusta Victoria. H. T.

Extra fine; very large; very fragrant.

Maman Cochet. T. One of the best for open ground culture. Large; vigorous; handsome.

Margaret Dickson. H. P. Magnificent form; fragrant; fine variety.

#### RUGOSA ROSES · Japanese Roses

Blanc Double de Coubert. R. H. Double, pure white flowers; fragrant.

Rugosa alba. Single, pure white; highly scented. Fine for hedge or borders.

Rugosa rubra. Single, bright rosy crimson; beautiful fruit. Excellent for hedges and borders.

Price of Rugosas, 2 to  $2\frac{1}{2}$  ft., 35 cts. each, \$3 for 10, \$20 per 100;  $2\frac{1}{2}$  to 3 ft., 50 cts. each, \$4 for 10, \$25 per 100.

SPECIAL "GET ACQUAINTED" ROSE OFFER. As an initial order to show the quality of our Rose plants, we offer to supply, our selection from the above lists, 2 Reds, 2 Pinks, 1 Yellow and 1 White, all fine strong plants for \$1.50.

Frau Karl Druschki.

#### CLIMBING ROSES

Albert Barbier. Bright yellow; clusters; fragrant, beautiful; waxy foliage.

Baltimore Belle. H. C. P. Pale blush; compact and fine.

Climbing Soupert. H. C. Strong grower; flowers white in clusters.

Crimson Rambler. R. Glowing many and well-flowered crimson; clusters.

Dawson. H. C. Deep pink; vigorous; hardy; good clusters; fragrant.

Dorothy Perkins. Wich. Pink, very double; sweetly scented. Very good. Hiawatha. Wich. Crimson; single; excellent bloomer; very good.

Lady Gay. Wich. Beautiful rosepink; free bloomer. One of the best. Leuchtstern. H. C. Single, large

clusters; bright rose with white eye.

Marechal Niel. C. Large, double; profuse bloomer; golden; very fragrant. Microphylla. H. C. White; flowers

double and sweet. Shrub habit. Multiflora. H. C. White; single, sweetly scented. Shrub habit.

Psyche. II. C. Rosy pink; large, fine clusters

Reine Marie Henriette. H. C. Crimson; large and double; in clusters.

Seven Sisters (Greville). H. C. White to crimson; flowers in large clusters.

Setigera. H. C. Pr. Deep rose; large, single flowers.

Tausendschon, H. C. Pink, turning to bright rose; sweet; in clusters.

White Rambler. R. White; pro-

fuse; very fragrant; compact clusters.

Wichuraiana (Memorial Rose). Wich. Single, pure white; low-trailing species with beautiful foliage.

Wm. C. Egan. Wich. Rosy pink; large; double; fragrant; very good.

Gardenia. Wich. Very fragrant;

creamy yellow.

#### MISCELLANEOUS ROSES

Baby Rambler, Dwarf Crimson Rambler. Everblooming; fine bedder.

Common Moss. Pale rose; beautiful buds; great favorite. Vigorous.

Blanche Moreau Moss. White, large. sweet; excellent for cemetery.

Rosa rubiginosa (Common Sweet Briar). Pink; noted for fragrant foliage.

Lady Gay-the best of all Ramblers.

Ampelopsis Veitchi, or Boston Ivy.

#### VINES, CLIMBING AND TRAILING PLANTS

For shading porches, covering enbankments, covering the ground under trees or shrubbery, or as screens, shutting out unsightly places, vines are invaluable. They can always be kept within bounds and are exceedingly decorative. We grow nearly all varieties in pots which enables their being transplanted at any season. All are strong vigorous plants fully worth the price.

Aristolochia Sipho (Dutchman's Pipe) and Hardy Ferns

#### HARDY FERNS

The joy of the woods is the ferns. Many damp, shaded locations about the home grounds are well adapted for the planting of hardy ferns, and when once established they are a joy forever.

 $_{25}$  cts. each, \$ 2 for 10, \$ 15 per 100. Mixed varieties, our selection, 15 cts. each \$ 1 for 10, \$ 9 per 100.

ADIANTUM pedatum (Maidenhair Fern). 1 to 2 ft. Moist, shaded positions.

**ASPIDIUM** acrostichoides (Christmas Fern). 1 to 2 ft. Evergreen. Dry or moist soils in shady places.

A. marginale. Evergreen. 1 to 2 ft. Shaded positions, dry or moist soils.

**DICKSONIA** punctilobula (Boulder Fern). 2 to 3 ft. For open positions, forms large plantations.

OSMUNDA cinnamomea (Cinnamon Fern). 2 to 5 ft. For open or shaded positions, in wet soils.

WOODSIA obtusa. 6 to 12 in. Shady places, in moist soil.

Note that we grow nearly all varieties of vines in pots so that we can make delivery most any time during the season without shock to the plant. For quick covering it is well to plant an annual vine also (see page 55, Cobaea Scandens), while the permanent vine is coming on.

Herbaceous border with Sweet William in the foreground

### HARDY HERBACEOUS PLANTS

This includes all the fine old-fashioned plants that grew in grandmother's garden, and some new ones just as beautiful. The plants die to the ground each fall but the roots remain alive, and the pleasure of welcoming the old friends each year is always enjoyed.

each year is always enjoyed.

Plants followed with "S." are suitable for swampy places; "Sh." for shady locations; "R." for rockeries; "D." for dry soil conditions and "C." for cutting.

#### PRICES

Except where otherwise noted any of the following plants will be supplied in strong clumps at the following prices: Single plants 25 cts., 10 for \$2, 100 for \$15; 5 plants at the 10 rate, 25 at the 100 rate. Write for special prices on large quantities and special selections.

young plants. 10 cts. each.

Variegated-leaved. Fine for pot and carpet bedding. 20 cts. each.

GREVILLEA robusta (Silk Oak). This is a hardy, graceful, decorative, indoor plant with fern-like leaves. 2½-in. pots, 10 cts. each, \$1 per doz.; larger plants, 25 to 75 cts. each.

**HUMULUS** Japonicus variegatus. This prettily variegated Japanese hop is one of the most rapid-growing vines in cultivation. Strong plants, 15c. ea.

HYACINTHS, TULIPS, etc. They include Hyacinths, Roman Hyacinths, Tulips, and Narcissus, of the very best varieties. We have them early in bloom. Ready in pots December to Easter. The prices range between 15 cts. and \$1.50 each, in a pot or large pan of 6 or more bulbs.

HYDRANGEA hortensis Otaksa. A very desirable, highly ornamental Japanese plant, with green shining foliage, and producing large heads of pink and blue flowers. 50 cts. to \$1 each. Specimen plants in green tubs, \$2 to \$5 each.

#### Impatiens · Zanzibar Balsam

**Impatiens Sultani**. Flowers of brilliant rosy scarlet colors. Valuable as pot plants and for the open border.

I., Holstii Hybrids. New hybrids from Africa with flowers of all shades of red and pink. Excellent border. Fine plants, 15 to 35 cts. each.

ISOLEPIS gracilis. This little graceful plant with grass-like, green, drooping foliage is useful as a pot or for vases, baskets, etc. 15 and 25 cts. each.

IVY, Parlor (Mikania scandens). A hardy trailing plant, especially useful for hanging-baskets and window-boxes. 10 and 25 cts. each, \$1 and \$2.50 per doz.

JAPANESE LILY-OF-THE-VAL-LEY (Ophiopogon Jaburan variegatus). Variegated foliage, useful as a pot plant 50 cts. each.

JERUSALEM CHERRY (Solanum capsicastrum). A very ornamental pot plant for winter decoration, bearing bright scarlet berries. A fine Christmas plant. 35 to 75 cts. each.

LANTANA delicatissima (Weeping Lantana). A pretty, trailing variety, suitable for pots, as well as for baskets, window-boxes, etc. Flowers delicate rosy-lavender; free bloomer. 10 and 25 cts. each, \$1 and \$2.50 per doz.

**LEMON ponderosa.** Beautiful as an ornamental and useful as an ordinary lemon. One fruit equal to five common lemons. Fine fruiting plants, \$2.50 to \$5 each.

LILY-OF-THE-VALLEY (Convallaria majalis). Of this well-known, beautiful and fragrant flower we have large quantities during the winter and early spring. Also a superior cut-flower. Fine pots, 35 to 75 cts. each, and large pans, \$1 to \$4.

**LYCOPODIUM** (Moss). Pretty moss-like plant for fern dishes and jardinières; it likes plenty of moisture. 10 cts. each, Sr per doz.

MARANTA. In varieties. Remarkable for their richness and beauty of their foliage of the most distinguished variegation. 25 cts. to \$1.50 each.

**MOON VINE** (Ipomwa grandiflora). At night and during dull days the plants are covered with large, pure white, fragrant flowers. Rapid grower. 15 cts. each, \$1.50 per doz.

MOSS (Selaginella Watsaniana). Very pretty moss, green, with silvery white tips; useful in connection with ferns in fern dishes, jardinières, etc. 15 cts. each, \$1.50 per doz.

MYRTLE (Myrtus communis). A handsome plant with small, shining, fragrant leaves. Young plants, 25 cts. each.

NICOTINE PLANT (Nicotiana Sanderæ Hybrida). A splendid plant, very fragrant and great variety of colors. For pot culture and bedding out. 10 to 25 cts. each.

OTAHEITE ORANGE (Citrus aurantium, var. Otaitense). One of the most ornamental dwarf, pot plants. Fragrant pink flowers and beautiful orange-red edible fruits, about one-half the size of ordinary orange 75 cts. to \$2 each.

Lily-of-the-Valley.

#### **Palms**

The royalty among plants. No home decoration of plants is complete without them. The varieties we offer are the hardiest, and the most graceful plants for home culture.

 Areca
 lutescens.
 Bright glossy, green foliage and rich golden yellow stems make this one of the most beautiful Palms in cultivation.
 Each 18-20 in. high, 5-in. pots.

Latania Borbonica (Chinese Fan Palm). This very popular fan-leaved Palm is one of the hardiest. 18-20 in. high, 6-in. pots, \$1; 2 ft. high, 8-in. pots, \$2.50. Specimen plants in fine green tubs, from \$8 upwards.

Phœnix Rœbelenii. An clegant, vigorous-growing plant with graceful, recurving leaves. It is the most beautiful of the Phœnix class and as hardy as a Kentia. 3-in. pots, nicely characterized, 75 cts. each; 4-in. pots, nicely characterized, \$1.25 each.

#### Passiflora · Passion Flower

Attractive climbers, covering large spaces in very short time; most beautiful and interesting flowers in great profusion.

Passiflora, Constance Elliot. Pure white.

P., Incarnata. White, tinted lilac, light purple corona.

P. Pfordtii. The best of all; rich shade of blue, suffused with rose. 35 cts. to \$1 each.

#### Petunias

For house culture, window-boxes, baskets and for bedding few plants equal the Petunia in effectiveness. They commence flowering early and continue a sheet of bloom throughout the whole season. Easily cultivated; only require a good soil and sunny position. Young plants, 10 cts. each, \$1 per doz.; large plants, 25 cts. each.

P., Double Varieties. Our double Petunias are of the very best strain. 20 cts. each, \$2 per doz.

**PHALANGIUM** (Chlorophytum). A very handsome pot plant with graceful, long, variegated leaves. 10 to 25 cts. each.

PLUMBAGO. capensis alba. A handsome plant for the house or outof-door in summer, producing clusters of light blue flowers. A creamy white variety. 35 cts. to \$1 each.

#### Primrose · Primula

Primula sinensis fimbriata. Chinese Primulas are great favorites and among the most beautiful flowering plants of the winter and spring season. Fine blooming plants, 15 and 25 cts. each.

P. obconica grandiflora. A profuse bloomer bearing on long stems, heads containing 10 to 15 flowers; varies in color from pale lilac to rose. 15 and 25 cts. each; large plants, 50 cts. each.

PRUNUS triloba. When forced at Easter time and covered with an abundance of double pink flowers this plant certainly makes a striking appearance. \$1 and \$1.50 each.

RHODODENDRONS. These popular evergreens also make splendid foreing plants. Blooming plants ready Feb. to Easter. \$2, \$3 and \$5 each.

#### Rubber Plant · Ficus

Ficus elastica. One of the best and favorite plants for house decoration. Fine plants, 50 cts. to \$2.50 each.

Fine plants, 50 cts. to \$2.50 each.

F. pandurata. The most distinct Rubber Plant ever introduced. Its gigantic, leathery, rich, dark green leaves make it a fascinating house plant.

\$1.50 to \$5 each.

F. repens. Evergreen climber for the greenhouse, also fine for baskets,

etc. 10 cts. each.

SCREW PINE (Pandanus l'eitchi). One of the most decorative plants for the house. Its long, graceful curving leaves are broadly striped with creamy white on a green ground. Beautiful plants, \$1 to \$5.

**SENSITIVE PLANT** (Mimosa pudica). A curious and interesting plant with pinkish white flowers. The leaves close and droop when touched or shaken. 25 cts. each.

SNAPDRAGON (Antirrhinum grandiflorum). A fine race having very large flowers borne in profusion. Strong plants, 25c. each, \$2.50 per doz.

**SPIRÆA Japonica**, Gladstone (Astilbe). A fine forcing plant with large white panicles of flowers. Easter time. 50 cts. to \$1.50 each.

**SWEET ALYSSUM** (Alyssum maritimum). A great favorite among bedding plants; also useful for window-boxes, etc.; sweet-scented. 10 ets. each, \$1 per doz.

TRADESCANTIA tricolor. This is a green and prettily variegated variety of this extremely useful vine. 10 and 15 cts. each.

TRANSVAAL DAISY, Jamesonii Hybrids (Gerbera). The wonderful new hybrids of the Scarlet Daisy of the Cape include a range of brilliantly colored marguerite-like flowers, shading through all colors. Makes an excellent pot plant, as the flowers succeed each other for a long period; also fine for bedding and as a cut-flower. 50 cts. each.

UMBRELLA PLANT (Cyperus alternifolius). An attractive, well-known plant for home or outdoor decoration; also for aquarium and damp places. 15 cts. 10 \$1 each.

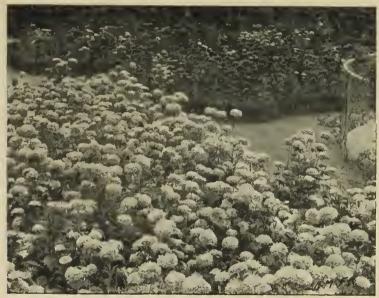

VINCA variegata. This pretty green and white variegated vine is a great favorite everywhere and useful in many ways. 15 cts. each., \$1.50 per doz.

WALLFLOWER (Cheiranthus). A well-known, deliciously fragrant, half-hardy perennial, blooming early in the spring or in fall, with spikes of beautiful flowers. 25 cts. each.

Palm, Kentia Belmoreana. See page 58.

EASTER PLANTS. From February until Spring our greenhouses are a beautiful sight, filled with Easter and spring blooming plants. Visitors are always welcome, or we will be glad to give prompt attention to telephone or telegraph orders. See Special Easter plants as noted above under Araucaria, Aucuba, Azaleas, Begonias, Cineraria, Crotons, Cyclamen, Hyacinths, Tulips, Narcissus, Lily-of-the-Valley, Primroses, Prunus triloba, Rhododendrons, Screw Pines, Spiraa Gladstone, etc. Our stock of Easter lilies will be very fine this year, ready about the third week in March.

A garden of Asters.

#### ANNUAL PLANTS

Ready to set out the first days of spring

Last year we offered a limited quantity of annual plants which had been started in the greenhouse early. The supply was soon exhausted and our customers wanted more. This year we are determined to have enough, and have planned for a much larger stock. All grown in pots or flats and easy to transplant. You can have blooming plants from these while your neighbor is just getting started. Ready for shipment May 1.

Price, 25 cts. per doz., \$1.50 per 100. One dozen each of the entire collection of 10 varieties for \$1

ASTERS. All types and colors. Plant 15 inches apart, firm the soil well and water in dry weather.

**BALSAMS.** Mixed colors. Fine in a bed. Plant 12 to 18 inches apart in rich soil.

**VERBENAS.** Fine for beds, borders or window-boxes. Blooms all summer. Plant 12 to 15 inches apart each way.

FOUR O'CLOCKS. Handsome shrub-like plant. Does well in a shady place. Plant 18 to 20 inches apart.

**SWEET PEAS.** Mixed colors. Grown in paper pots. You plant pot and all, thus avoiding disappointment.

**ZINNIAS.** Bloom all summer. All colors. Fine for cutting and always plenty to cut.

PINKS. The old-fashioned garden kind. Great range of color. Plant 8 to 12 inches apart in well-manured soil.

COCKSCOMB. Very odd. Blooms from midsummer until frost. Plant 10 to 12 inches apart in rich soil.

**NASTURTIUMS.** Both dwarf and tall growing sorts. In paper pots. All colors.

COSMOS. Grown from these plants you can have them in bloom in September. Plant 2 to 3 feet apart in sandy or poor soil in a sunny location.

#### **Bedding Plants**

GERANIUMS. Best colors (in pots). 10 to 15 cts. each, \$1 to \$1.50 per doz.

HELIOTROPE. Very fragrant (in pots). 10 cts. each, \$1 per doz.

LOBELIA. White and blue. Fine for edging. 10 cts. each, \$1 per doz.

L., Kathleen Mallard. The new, double-flowering Lobelia. 15 cts. each, \$1.50 per doz.

**PANSIES.** Best, large-flowering sorts. Strong clumps. 5 cts. each, 50 cts. per doz.

Tomato Plant.

Geranium.

**PETUNIAS.** Fine in mass, single. 10 cts. each, \$1 per doz.

SCARLET SAGE. Fine plants (in pots). 10 and 20 cts. each, \$8 and \$15 per 100.

#### Cannas

#### DWARF, 3 to 4 feet

Brandywine. Brilliant red. 25 cts. Mont Blanc. White, fine. 40 cts. King Humbert. Orange-scarlet. 40c. Niagara. Crimson-gold. 20 cts. Duke of Marlboro. Crimson. 15 cts. Martha Washington. Rose-pink. 0 cts.

Venus. Yellow border. 35 cts.

#### TALL, 5 to 7 feet

New York, Carmine, 55 cts. Wyoming. Orange, 40 cts. Gladiator.Spotted yellow-red, 25c. Giant Crimson. Crimson, 15 cts.

Prices, our selection, unnamed varieties, \$1.50 per doz, \$15 per 100. All the above are for strong growing plants.

#### TOMATO PLANTS

Fine, bushy, thrifty plants from pots, ready to jump right in and grow.

20 cts. per doz., \$1.50 per 100
Earliana. Very early.
Early June. New earliest.
Ponderosa. Very large, early.
Perfection. Early; very productive.

## PLANTS SUITABLE FOR WINDOW BOXES, BASKETS, URNS, ETC.

Well arranged window- and porch-boxes add greatly in making homelike surroundings and many people in these days of small city lots are compelled to do all their gardening in hoxes. The following list of plants are best suited for this purpose and are fine large plants ready for early delivery and immediate effect;

AGERATUM (Ladies' Toothbrush). 10 cts. each, \$1 per doz.

**ABUTILON.** Very pretty, especially for window-boxes. 10 cts. each, \$1 per doz.

Per qt. 25 cts., 2 qts. 45 cts., pk. \$1.25, bus. \$4.

Special Mixture for shady locations. Per qt. 35 cts., 4 qts. \$1.25, pk. \$2, bus. \$6.

#### CUT-FLOWER DEPARTMENT

We have recently increased our facilities in this department, and are now prepared to deliver or ship seasonable cut-flowers at short notice. Prices vary with the season, and it is frequently better for the customer to name the amount to be expended and the occasion for which the flowers are to be used, and leave the selection to us. No orders accepted for a shipment for less than \$1.

ROSES. Almost the year round. \$1.75 to \$10 per doz.

CARNATIONS. Oct. to June. \$1 to \$2 per doz.

ASTERS. June to Sept. 25 cts. to \$1 per doz.

CHRYSANTHEMUMS. Oct. to Jan. 50 cts. to \$4 per doz.

CALLA LILIES. Dec. to June. \$2.50

to \$3 per doz. GLADIOLI. Aug. to Oct. 60 cts. to

\$1.50 per doz. DAFFODILS. Dec. to May. 50 cts.

to \$1 per doz.

PAPER-WHITE NARCISSUS. Nov. to Easter. 50 cts. to \$1 per doz.

ROMAN HYACINTHS. Dec. to Easter. 50 cts. to \$1 per doz.

LILY-OF-THE-VALLEY. Sept. -to June. 75 cts. to \$1.50 per doz.

VIOLETS. Nov. to Easter. \$1.50 to \$3 per 100.

Any of the above made into bouquets with sufficient ferns for ordinary purposes free of charge. Should an extra amount be needed, it can be obtained at the following prices:

Asparagus Sprays. 10 cts. each, strings, \$1.

Ferns. 15 cts. per doz., fancy, 25 cts. per doz.

Smilax. 25 to 30 cts. per string.

#### Wedding Flowers, Special Decorations, Etc.

Should you wish something in church or home decorations, give us a trial. With our experience and equipment we can furnish your decorations better and cheaper than you can put them up yourself.

When ordering flowers for a wedding, it is always best to give as much time as possible, as wedding flowers are usually arranged to carry out some special plan and are not always car-

ried in stock.

Material to be used varies with the season. Southern wild smilax and smilax strings are always available and appropriate. Prices on application according to the size of the decoration.

#### Brides' Bouquets

The most popular kinds are the large, round bouquet of white roses with a shower of lily-of-the-valley, made with a profusion of asparagus, and narrow chiffon or silk ribbon. Small, \$6 to \$7.50; medium, \$8 to \$10; large, \$12 to

\$15. Same bouquet in solid lily-of-thevalley instead of roses. Small, \$8 to \$10; medium, \$10 to \$12; large, \$15 to

Arm Bouquet for Brides. Made with white roses and asparagus. \$3, \$5, \$7.50.

Arm Bouquet of Chrysanthemums.

\$3, \$5, \$7.50. Arm Bouquet of Carnations. \$2, \$4, \$6.

Bridesmaid Bouquets are the same as the Brides' Arm Bouquets, except that they are usually of pink or some other color than white.

Boxes of Assorted Flowers. \$1, \$2, \$3, \$4, \$5 and upward, as wanted. Sent to any address with your card enclosed, if so ordered.

Bouquets and Baskets for weddings, school commencements, presents, re-ceptions, etc. \$1.50 to \$10. Hand and Table Bouquets. Small,

\$1 to \$1.50.

Gents' Buttonhole Bouquets. 10 to 25 cts. each, \$1 to \$2 per doz., \$5 to \$12 per 100.

Ladies' Corsage Bouquets. Choice flowers, gracefully arranged. 50 cts. to \$3 each. Special rate in quantities.

Fancy Basket of Cut-flowers, Small to medium, \$1.50 to \$3; medium to large, \$3.50 to \$5; extra fine, \$6.50 to \$10 and upward to order. Special table designs, etc., at reasonable rates.

#### Flowers for Funerals

In ordering funeral flowers on short notice, please bear in mind that it will be to your advantage to give us as much time as possible—the more time we have the more care we can bestow on the work. If we know the time of the funeral it is often a great help to us in selecting the most suitable flowers as to durability, etc.

Any size or style can be furnished at short notice. Below are named the kinds mostly used, and are the leading

standard and new designs.

Sprays or Bunches of Choice Roses Tied with Ribbon. Small, \$3 to \$4; / medium, \$4 to \$5; large, \$6 to \$8; extra large, \$9 to \$12.

Sprays or Bunches of White Lilies. Small size, \$4 to \$5; medium, \$6 to \$8; large, \$8 to \$10; extra large, \$12 to \$15.

Sprays of Carnations. \$2, \$3, \$4, \$5, \$6, to \$8 and larger, if needed.

Sprays of Roses and Carnations. Combined, \$3, \$4, \$5, \$6, \$8, \$10, to any size needed.

Fresh Sago Palm Leaves, with sprays or loose, 75 cts., \$1 to \$1.50 each; extra, according to size.

Anchors. \$2.50, \$3, \$4, \$5, \$6.50,

\$8, \$10.

Broken Column. A very tasty design, ranging from 24 to 60 inches in height. Flowers are worked on to the design in a spiral form. \$15, \$25, \$35, \$50.

\$35, \$50. Cross. \$3, \$4, \$5, \$7.50, \$10, \$15,

Crescent Wreath. \$4, \$7.50, \$10. Cross and Crown. On base. \$10,

Faith, Hope and Charity. Anchor, cross and heart on base. A very beautiful and appropriate design. \$10, \$15.

## Two Great "Get Acquainted"

## Collections

#### No. 1.—JAPANESE COLLECTION OF ORNAMENTALS

All standard popular plants that will do well in most any soil conditions, need little care, and sufficient to make a good showing in an average-sized city front yard.

- 2 Clumps Japanese Iris. Strong.
- 2 Japanese Peonies. Large size.
- 1 Japanese Rose. 11/2 feet high.
- 1 Japanese Maple. 12 to 18 inches high.
- 1 Japanese Barberry. 1 foot high.
- 1 Clump Japanese Grass. Large.

All of the above thrifty, strong plants, carefully packed and shipped, express paid, for only \$2 cash with order.

#### No. 2-SMALL AREA FRUIT COLLECTION

That back or side yard can be made far more beautiful and infinitely more interesting with a few trees and berries. This collection is suggested especially for the small yard, and with the introduction of **Dwarf Fruit Trees** in apples and pears, fruit can be picked from the trees the second year after planting. They produce the same quality of fruit as the ordinary tree, but the habit of growth has been so changed by grafting that the trees never attain a height of more than ten feet.

- 2 Dwarf Apples. Early and late varieties.
- 1 Dwarf Pear. Standard variety.
- 2 Standard Peach, Early and Late varieties.
- 1 White Grape. 2-year old.
- 1 Red Grape. 2-year old.
- 2 Red Currant. 2-year old.

All of the above in good, strong, satisfactory stock, not the tree-agent kind, carefully packed and shipped by prepaid express, for only \$3.50, cash with order.

The Two Great Collections for \$5. Order Quick!

# Trees and Plants for the House and Garden

## The Berryhill Pursery

Harrisburg, Pa.

Residence of Mr. A. G. Knisely, Front and Maclay Streets, Harrisburg, Pa.

The entire place planned and planted by us and photographed the first spring after planting
